## Longing for Egypt's General Sissi

After years of degeneration, enlightened Israeli society has lost the ability to act within the parameters of democracy and absorb the principle of majority rule. It no longer knows how to love and respect the people. But no enlightened general will rescue us.

The new Israeli hero is an Egyptian figure -- General Abdel Fattah al-Sissi. You don't need an especially discerning eye to see the Israeli elite's deep sympathy and barely concealed admiration for the commander of our large southern neighbor's armed forces. The one who has just imprisoned the elected president who appointed him to his position.
